Description

Exemplifying the latest in Sunseeker's exceptional design capabilities, the Manhattan 55 has been meticulously designed to enhance comfort and cruising whilst providing owners with a vast array of social spaces – usually only seen in larger yachts.

The exterior styling incorporates unparalleled amounts of curved glass and stainless-steel detailing to emphasise its prowess, whilst exclusive images reveal the innovative design and attention to detail that has gone into this new flybridge model.

Accommodation

A key feature that truly sets the Manhattan 55 apart from its peers is the innovative powered glass cockpit/galley window that can be lowered at the touch of a button and which, alongside the open cockpit door, creates a truly exceptional inside/outside environment.

The Manhattan 55 enables its owner to enjoy the sumptuous space the open layout provides, showcasing the wonderfully well-equipped bathing platform and Beach Club. This area offers an inviting space for family and friends to enjoy the optional built-in barbeque, overhead shower and fold down transom seating.

Your Dedicated Broker

After graduating with BA Hons degree in Maritime and Business Law in 2001, Richard headed to Mallorca to enjoy a summer job with Sunseeker. After a successful summer season with Richard already familiar with boating from a young age and holding a Yachtmaster qualification, he was offered an opportunity in London on a permanent basis to head up the warranty/after-sales department.

Richard developed further client contact through warranty and after sales requests together with the handover/tuition of boats to clients. In 2008 Richard seized the opportunity to head up Sunseeker Greece managing the Greek territories and increasing sales in this area. Gaining experience in managing Sunseeker Greece, 2012 saw Richard acquire the role of Sales Director for Sunseeker Spain enabling him to develop the entire sales network and to further continue his passion for boating in Mallorca and Spain.
